Just a castaway
 An island lost at sea
 Another lonely day
 With no one here but me
 More loneliness
 Than any man could bear
 Rescue me before I fall into despair

I'll send an SOS to the world
 I'll send an SOS to the world
 I hope that someone gets my

A year has passed since I wrote my note
 But I should have known this right from the start
 Only hope can keep me together
 Love can mend your life
 But love can break your heart

CHORUS

Walked out this morning
 Don't believe what I saw
 A hundred billion bottles
 Washed up on the shore
 Seems I'm not alone at being alone
 A hundred billion castaways
 Looking for a home

CHORUS

Sending out at an SOS

bb //// f ///// c //// g///// (c)

Giant steps are what you take

Walking on the moon

I hope my legs dont break

Walking on the moon

We could walk for ever

Walking on the moon

We could live together

Walking on, walking on the moon

Walking back from your house

Walking on the moon

Walking back from your house

Walking on the moon

Feet they hardly touch the ground

Walking on the moon

My feet dont hardly make no sound

Walking on, walking on the moon

Some may say

I'm wishing my days away, no way

And if its the price I pay, some say

Tomorrows another day, youll stay

I may as well play

SO LONELY

D A Bm G

Well, someone told me yesterday
 That when you throw your love away
 You act as if you just don't care
 You look as if you're going somewhere
 But I just cant convince myself
 I couldn't live with no one else
 And I can only play that part
 And sit and nurse
 my broken heart, so lonely

So lonely, so lonely, so lonely
 So lonely, so lonely, so lonely
 So lonely, so lonely, so lonely
 So lonely, so lonely

Now no-ones knocked upon my door
 For a thousand years, or more
 All made up and nowhere to go
 Welcome to this one man show
 Just take a seat, they're always free
 No surprise, no mystery
 In this theatre that I call my soul
 I always play the starring role, so lonely

So lonely, so lonely, so lonely
 So lonely, so lonely, so lonely
 So lonely, so lonely, so lonely
 So lonely, so lonely
 So lonely
 So lonely, so lonely, so lonely
 So lonely, so lonely, so lonely
 I feel lonely, Im so lonely, I feel so low
 I feel lonely, Im so lonely, I feel so low
