Dear Sir or Madam, will you read my book?

It took me years to write, will you take a look?
It's based on a novel by a man named Lear, - And I need a job,
So I want to be a paperback writer - **Paperback writer.**

It's a dirty story of a dirty man,
And his clinging wife doesn't understand.
His son is working for the Daily Mail - It's a steady job,
But he wants to be a paperback writer - **Paperback writer.**

It's a thousand pages, give or take a few.
I'll be writing more in a week or two.
I could make it longer if you like the style - I can change it 'round,
And I want to be a paperback writer, - **Paperback writer.**

If you really like it you can have the rights.
It could make a million for you overnight.
If you must return it you can send it here - But I need a break....
