

THE HOUSE THAT JACK BUILT

This is the house that Jack built, y'all

Remember this house!

This was the land that he worked by hand
This was the room that was filled with love
This was a life of a love he planned
In the house that Jack built
Remember this house!

It was the dream of an upright man
It was a love that he was proud of
Of a love and a life we loved
(the house that Jack built)

There was the fence that held our love
There was the gate that he walked out of
This is the heart that is turned to stone
This was the house, but it ain't no home
This is the love that I once had
In a dream that I thought was love,
In the house that Jack built
Remember this house!

(yes it was)

(yes it is)

(the house that Jack built)

Oh-ohh wha-a-at's the use of crying?
There's no denying
That I didn't understand
Was it a house of an upright man

'Cause I brought it on myself
But it see-e-ee-ems awful funny
(oooh)
(oooh)

Up on the hill
There's a big plan still
In the house that Jack built
Remember this house

(ooh ooh)

(the house that Jack built)

(the house that Jack built)

Listen! I got the house
I got the rug
But I ain't got Jack (Jack)
And I want my Jack back!

I got the car
And I got the rack
(I ain't got Jack, Jack)
Horn Solo 4 bars (ooooh!)

I turned my back on Jack
He said he wasn't coming back
I turned my back on Jack
he said he wasn't coming back
Ohhh, Jack
Ohh! Come on back
Ohh Jack
Oh come on back
He wanted to use me

(come on come on)

(come on come on)

(come on back jack)

(come on back jack)

(come on back jack)

(come on back jack)

I didn't understand
I said, I want my upright man
Horn riff

(come on come on – come on back jack)

ad lib with horns till
