Well, I told you once and I told you twice    E  
 But you never listen to my advice  
 You don't try very hard to please me  
 With what you know it should be easy

Well, this could be the last time                    A  
 This could be the last time                        A  
 Maybe the last time                                 D  
 I don't know, oh no                                 A    (E Riff)

2

Well, I'm sorry girl but I can't stay            E  
 Feeling like I do today  
 There's too much pain and too much sorrow  
 I guess I'll feel the same tomorrow

Well I told you once and I told you twice
