MOONDANCE

Guitar triplet Am Bm4 Am7 Bm7

note Bm7b5 = x 2 3 2 3 x

Well, it's a marvelous night for a moon dance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low
And all the night's magic, seems to whisper and hush Dm Am X2
And all the soft moonlight Dm Am
seems to shine - in your blush Bm7b5\ E7 \

Chorus [Am Dm]

Can I just have one a' more moon dance with you, my love
Can I just make some more romance with u, my love E7+9 ~

Well, I wanna make love to you to-night
I can't wait 'til the morning has come
And I know that the time is just right
And straight in-to my arms you will run
And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true, dear
There and then I will make you my own
And every time, I -eeI touch you,
you just trem-ble inside
And I know how-ow much you
want me that - you can't hide

[Chorus]

[Repeat 1st Verse]

One more Moon dance with you in the moonlight
On a magic night
La, la, la, la in the moonlight
On a magic night
Can't I just have one more dance with you my love

BROWN EYED GIRL

Hey where did we go?
The days when the rains came
Down in the hollow, playing a new game
Laughing and a running hey, hey!
Skipping and a jumping
In the misty morning fog with
Our hearts a thumpin' and you
My brown eyed girl
You, my brown eyed girl

Whatever happened to Tuesday and so slow?
Going down the old mine with a transistor radio
Standing in the sunlight laughing
Hiding behind a rainbow's wall
Slipping and sliding, all along the waterfall, with you
My brown eyed girl
You, my brown eyed girl

Do you remember when - we used to sing?
Sha la la la la la la la la la te da
Just like that
Sha la la la la la la la la la te da
La te da

Bass Break

So hard to find my way, now that I'm all on my own
I saw you just the other day, my, you have grown!
Cast my memory back there, Lord
Sometimes I'm overcome thinking about
Making love in the green grass, behind the stadium with you
My brown eyed girl
You, my brown eyed girl

Do you remember when we used to sing?
Sha la la la la la la la la la de da X 3
