

WALKIN' THAT LONESOME ROAD – SLOW A BLUES

1

Have you ever been walking
Down that lonesome road?
Have you ever been walking,
Walking down that lonesome road?
All you got in this world,
Lord, I declare she's dead and gone

2

Things look so black,
You got to travel alone
Things look so black,
You got to travel alone
All you got in this world,
Lord I declare she's gone

3

It ain't too good,
ain't got a shelter over your head
It don't look so good,
when you ain't got a shelter over your head
When you could've been sleeping
On a feather bed, yeah, - walkin'
