

WASN'T BORN TO FOLLOW

G - riff G C G C

No I'd rather go and journey	G C
Where the diamond crescent's glowing	G C
And run across the valley	G C
Beneath the sacred mountain	G C
<u>And wander through the forest</u>	D
<u>Where the trees have leaves of prisms</u>	C
<u>And break the light in colors</u>	C
<u>That no one know the names of</u>	D G (Riff)

And when it's time I'll go and lay	
Beside the legendary fountain	
'Till I see her form reflected	
In its clear and jeweled waters	
<u>And if you think I'm ready</u>	D
<u>You may lead me to the chasm</u>	
<u>Where the rivers of our visions</u>	
<u>Flow into one another</u>	

D - 8 bars phase with solo guitar + riff

I will want to dive beneath	
the white cascading waters	
She may beg, she may plead	
she may argue with her logic	
<u>And mention all the things I'll lose</u>	D
<u>That really have no value</u>	
<u>in the end she will surely know</u>	
<u>I wasn't born to follow</u>
