1

One pill makes you larger  
 and one pill makes you small  
 and the ones that mother gives you  
 don't do anything at all  
 go ask Alice  
 when she's ten feet tall

And if you go chasing rabbits  
 and you know you're going to fall  
 Tell'em a hooka smoking caterpillar  
 has given you the cord  
 Call Alice  
 When she was just small

When men on the chessboard  
 get up and tell you where to go  
 and you just had some kind of mushroom  
 and your mind is moving low  
 go ask Alice, I think she'll know  
 When logic and proportion  
 have fallen sloppy dead  
 and the white knight is talking backwards  
 and the red queen's off her head  
 Remember  
 what the Dormouse said  
 Feed your head!  
 Feed your head!
