

## WITHIN YOU AND WITHOUT YOU

1

We were talking about the space between us all  
And the people who hide themselves  
behind a wall of illusion  
Never glimpse the truth, then it's far too late  
when they pass away

2

We were talking about the love we all could share  
When we find it, to try our best to hold it there  
With our love, with our love, we could save the world  
If they only knew

Try to realize it's all within yourself  
No one else can make you change  
And to see you're really only very small  
And life flows on within you and without you

3

We were talking about the love that's gone so cold  
And the people who gain the world and lose their soul  
They don't know, they can't see, are you one of them?

When you've seen beyond yourself then you may find  
Peace of mind is waiting there  
And the time will come when you see we're all one  
And life flows on within you and without you
