

**WOODSTOCK**

I came upon a child of God	Em
He was walking along the road	A Em11 x04030
And I asked him, where are you going	A Em11
And this he told me	Em
I'm going on down to Yasgur's farm	Em
I'm going to join in a rock 'n' roll band	A Em11
I'm going to camp out on the land	A Em11
I'm going to try and get my soul free	Em 1234, 12 <i>stop</i>

**CHORUS**

We are stardust, we are golden	A Em
We are billion year old carbon	A Em
And we've got to get ourselves	G D
Back to the garden	A Em

Then can I walk beside you  
 I have come here to lose the smog  
 And I feel to be a cog in something turning  
 Well maybe it is just the time of year  
 Or maybe it's the time of man  
 I don't know who I am  
 But life is for learning

## Chorus

By the time we got to Woodstock  
 We were half a million strong  
 And everywhere there was song and celebration  
 And I dreamed I saw the bombers  
 Riding shotgun in the sky  
 And they were turning into butterflies  
 Above our nation

## Chorus
