In the morning	<i>F/g</i>
when you rise	<i>C</i>
Do you think of me, and how you left me cryin'?	<i>G D</i>
Are you thinking	<i>F/g</i>
of telephones,	<i>C</i>
And managers and where you got to be at noon?	<i>G D</i>
You are living	<i>F/g</i>
A reality	<i>C</i>
I left years ago, It quite nearly killed me	<i>G D</i>
In the long run	<i>F/g</i>
It will make you cry	<i>C</i>
Make you crazy and old before your time	<i>G D</i>
And the difference between me and you	<i>F/g C</i>
I won't argue right or wrong	<i>G</i>
But I have time to cry, my baby	<i>D7</i>
You don't have to cry	
I said cry my baby, you don't have to cry	
I said cry my baby, you don't have to cry
