When your down and trouble
And you need a helping hand
And nothing, whoa nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest nights

CHORUS

You just call out my name
And you know where ever I am
I'll come running To see you again
Winter, spring , summer, or fall
All you have to do is call
And I'll be there, yeah, yeah, yeah
You've got a friend

If the sky above you
should turn dark and full of clouds
and that old north wind should begin to blow
Keep your head together
And call my name out loud
And soon I will be knocking upon your door

CHORUS

Interlude

Now, ain't it good to know that you've got a friend?
When people can be so cold
They'll hurt you and desert you
Well they'll take your soul if you let them
Oh yeah, but don't you let them.
